Email dressage@einw.org to confirm your spot.

Learn to scribe for dressage shows! You can be the one sitting next to the judge writing up scores and comments- truly an educational experience. Teresa Stewart will cover protocols, requirements, relevant rules and helpful hints to prepare for the job of scribe. Real time scribing will be practiced as Teresa "judges" sample tests at Training, First, and Second levels. This popular seminar is scheduled early in our dressage Schooling Show season to allow attendees a chance to volunteer and practice their new skills.

Registration requested as space is limited.

Please make check to **EQUESTRIANS INSTITUTE** and bring registration form and check with you to the clinic.
